FOR IMMEDIATE RELEASE

NEW ENGLAND OUTDOOR FURNACES RECOGNIZED WITH CENTRAL  
BOILER GRAND ACHIEVEMENT AND BRONZE SALES ACHIEVEMENT  
AWARDS

\_\_\_\_\_, 2012

NEWPORT, NH – New England Outdoor Furnaces, a Newport-based Central Boiler dealer, was recently honored at the bi-annual Central Boiler Dealer Convention with a 2011 Bronze Sales Achievement Award and Central Boiler's highest sales honor, the prestigious Grand Achievement Award that recognizes elite dealers that have achieved 1,000 furnace sales. Wes and Joy Smith received the awards at a banquet during the convention, held in Grand Forks, ND in June. More than 400 dealers and guests were present.

Sales Achievement awards are given to dealers who have met significant sales goals for the year. Central Boiler is proud to recognize these dealers for their commitment and dedication to running strong businesses with self-sustaining practices. They represent some of the most successful outdoor wood furnaces dealers in the country.

Grand Achievement Award recipients are elite dealerships that far exceed expectations, and whose leadership, integrity and performance are role models for other dealerships that strive toward excellence.

These awards are based on sales levels, but as Central Boiler CEO and owner, Dennis Brazier, pointed out, "No one reaches these kinds of sales levels without effective business practices, planning and customer satisfaction. These dealers are committed to excelling in all of these areas."

**About Central Boiler**

Central Boiler is the leading manufacturer of outdoor furnaces. The company's products are designed to provide inexpensive or free heat for homes, hot water and more using safe, clean and renewable energy resources. Central Boiler awards its top dealers of the nation each year and then presents the awards at its bi-annual dealer convention.
